Subject: FW: Frojen
Attachments: Frojen Dudek Service Agreement.pdf

Craig, as we discussed, attached is the contract between Dudek & Associates and the Frojen/Baker Trusts for the initial work as well as the follow-up waste characterization work and preparation of the removal action work plan. Nicole Peacock at Dudek, who is copied on this email, will be the Project Coordinator.

As I mentioned, Dudek will be subcontracting with Chempack and Environmental for this work. I do not have that subcontract but will obtain it shortly and will forward it on to you. (Nicole, do you have this?)

We will advise you of any upcoming sampling or work so that you may be present should you so wish.

Best regards,

Rick

Here you go !! Have a great day today.

And thanks for the parking spot most of the week ☺
